It's 4am in the morning, I'm just getting in  
Seem to be doing this, a whole lot again  
I'm a contradiction of myself, where to confide?  
Is it solitude or company, I can't decide

Lonely, on my own  
Lonely with folks I know  
Lonely, on my own  
I'm lonely, with folks I know

Certainly it's hard to find a side on the go  
Trying not to over think, allow chance to grow  
Patience lets sit in me, hey what do you think?  
Let's see if we can co-exist over a drink

Lonely, on my own  
Lonely with folks I know  
Lonely, on my own  
I'm lonely, with folks I know

Now if I had a penny for each time I hear  
Somebody whispering "Jesus is here"  
Well it's hard to think about the savior's son  
When all the dreams we set about are coming undone

Don't sit and tell me the fault lies with me  
Failures of mine, yeah I concede  
I sure love my two young boys, give them all I can  
Despite all my faults they make me a man  
Despite all my faults they make me a man

Lonely, on my own  
Lonely with folks I know  
Lonely, on my own  
I'm lonely, with folks I know

Lonely, on my own  
Lonely with folks I know  
Lonely, on my own  
I'm lonely, with folks I know  
I'm lonely, with folks I know
