Hey miss, did you forget the memories?
I know, that is such a part of you
Hey miss, did you forget to call to your friends
Certainly, you don't.
Hey miss, did you love me or anything else?
I bet, you did.

Have you abandoned your fantasy?
No no no.
Have you got down on your knees?
No no no.
Have you planned any shit with me?
No no no.
Have you sold your soul to love?
No no no
Am i selfish now?
Am i rude somehow?
Well, honey, i'm on the right side.

Bury your pictures with me and you
Because i did for me.
Hey girl, are you happy now with your foolish heart?

Have you abandoned your fantasy?
No no no.
Have you got down on your knees?
No no no.
Have you planned any shit with me?
No no no.
Have you sold your soul to love?
No no no
Am i selfish now?
Am i rude somehow?
Well, honey, i'm on the right side.

Honey, i'm on the right side.
I'm leaving 'cos you will not mind.
I'm leaving 'cos you will not mind.
