### Verse 1

Kids pushing coke  
Like its new thing  
I'm pushing words like I gotta mood swing  
I do things  
They say things  
We verb things  
Verb things  
Call me Mike while I slam dunk  
Gates while I cake up  
I don't wanna fame up  
But throw my name up  
Assumptions they thunk  
While i sow this game up

### Chorus

You don't have a weak heart  
You just need a new start  
Bitch say it again  
You don't have a weak heart  
You just need a new start  
Bitch we here to win

### Verse 2

Robert Brathwaite  
He ain't doing state time  
10 years  
No snitch time  
Had a couple 9s  
No smile for a while  
Coke time  
He was talking to a couple dimes  
Fed time is forget the date time  
Date line  
You can't relate  
Or carry half the weight  
Of Mr. Brathwaite

### Bridge

I live by a code  
You live as a hoe  
You get the dial tone  
Now I'm in my zone  
Leave me alone  
With that hater tone  
Haters be prone  
To act like a clones  
Always on the phone  
Always need a loan  
When I go out and have fun you have no funds  
That's why a player need a gun  
That's why a player need a gun  
Y'all do it for attention  
Y'all do it for attention  
I do it without a mention  
Do it when I stand in'  
Do it when I'm sittin'  
Do it when i'm shittin'  
Do it when i'm spittin'  
Do it when i'm dissin'  
Big Sean should take a lesson  
Make hits get bread everyday  
These haters talk shit and then go away  
They give a fuck what I got to say  
You don't have money you know where to lay  
Beats so hard they don't know what to say  
Beats so hard they don't know what to pay  
Beats so banging they paved the way  
Beats so banging I angered Kanye

### 3rd Verse

Hey, God went and chose me  
Ain't no other way around it  
Really found it  
This is the sound kid  
Rather be on D-block  
Then VA these days  
Gotta stay strapped  
New gucci shades  
Every now and then a new fade  
When the truth walks away  
Everybody stays  
Because the truth about the world is that crime does  
pay

### Chorus

You don't have a weak heart

You just need a new start  
Bitch say it again  
You don't have a weak heart  
You just need a new start  
Bitch we here to win
