konversate  
I got deals to make kontrcts to sign got  
no time to hesitate  
Ima make my paper an get my bread  
Ima do ra shawn thats wat she said

[Hook:]

Ladies love me  
I'm on my Cool J  
Yellow model chick  
Yellow bottle sippin'  
Ladies love me  
I'm on my Cool J  
Yellow Lamborghini  
Yellow top missin'

[Justin Bieber:]

Baby I'm yo doctor,

I could be yo rocker,  
Swaggin' I'm not braggin'  
But I swear that I could rock ya'  
Baby I'm not crazy,  
I got swag like Patrick Swayze  
Y'know them haters never phase me  
That's not how my momma raised me  
I am incredible, this is inedible  
Killing this track was inevitable  
I am hetero, baby you better know Jb is generally just a  
G look at me  
Now, I said look at me, swagging with the crooked tee  
Body slammed the beats from D Beat, call me  
Call me Booker T.  
I said whoa there, whoa there baby you just need to  
stop. (okay)  
I'm busy out performing and I'm going to the top.  
I got so much to lose, so I'm steady getting gwap.  
But them haters go down and we just get to watch.  
Amazing, I'm blazing. Look over here, said that I'm  
amazing.  
Nobody's facing, what I'm facing. Set a pace, so I can  
race without pacing.  
Lace my shoes off, start racing. You can taste it,  
without faste-ing,  
I mean fasting, start blasting. Call up Lauren hill do-op  
that thing  
Swagger jacking, is not what I do. JB is the man, yeah  
he's the truth.  
He's a beast when he steps up in the booth. I just  
landed, I did too.  
I'm a gentleman, yes I'm a gentleman, I'm out of my  
element, but I'm still elegant.  
I'm full of adrenaline, you know what that means.  
Louis V hightops with the skinny jeans.
