Oh oh oh oh yeah! ah sha la la la la!
Wake up to such a sweet sweet song
I could listen to it all day long
From my window I can smell the sea
As I start my day in Grove Town
The sun will shine on me
Grove Town, my lovely Grove Town.
My Grove Town, all the beautiful things
Woa, Grove Town
So come along and sing with me
Why don't you come down to my Grove Town
We are all family we never let you down
There's no better place to wear a smiling face
So, why don't you come down to my Grove Town
We love the cream-of-tartar trees
Sitting on the brunches we can feel the summer breeze
All of the lovely things that we can see
When we look that town of nature live in harmony
Grove Town, my lovely Grove Town.
My Grove Town, all the beautiful things
Woa, Grove Town
So come along and sing with me
Why don't you come down to my Grove Town
We are all family we never let you down
There's no better place to wear a smiling face
So, why don't you come down to my Grove Town
Oh oh oh oh yeah! ah sha la la la la!
Pam pam pam ram pam pow!
When I feel alone and I' m all myself
I go out my door then I do forget
When I see my hometown the sun begins to set
I' d like the stars up in the sky they love my Grove town
best
Grove Town, my lovely Grove Town.
My Grove Town, all the beautiful things
Woa, Grove Town
So come along and sing with me
Why don't you come down to my Grove Town
We are all family we never let you down
There's no better place to wear a smiling face.
So, why don't you come down to my Grove Town
So, why don't you come down to my Grove Town

We are all family we never let you down
There's no better place to wear a smiling face.
So, why don't you come down to my Grove Town
