Well, here we are again, too, too good to be friends
Forever, forever, forever
Well, look at what we've done, three, three worlds into
one
Together, together, together
So, how can this be true, we, we thought that me and
you
Forever, forever, forever
[...]
In a [world full of morning stark]
Rising over [unshed junk]
Dancing in the rigs of the western world
Blindfolds on but we don't care
