"Halcyon And On And On"

I need a place where I can go,
Where I can whisper what I know,
Where I can whisper who I like
And where I go to see them.

I need a place where I can hide,
Where no one sees my life inside,
Where I can make my plans, and write them down
So I can read them.

A place where I can bid my heart be still
And it will mind me.
A place where I can go when I am lost,
And there I'll find me.

I need a place to spend the day,
Where no one says to go or stay,
Where I can take my pen and draw
The girl I mean to be.
