She walks real slow  
Talks like an animal  
What am I  
Supposed to do  
I've tried to explain  
My heart's not a radio  
But I can't seem  
To get to you

Face to face  
Tears on a heart of stone  
When she talks  
I walk away  
Seems to me  
It's just a waste of time  
These are words  
I know she's heard before

She's the girl  
I guess I'll always know  
And I've tried  
But she always seems to know

She walks real slow  
Like an animal  
What am I  
Supposed to do  
Her bedroom talk  
Cuts like a razor blade  
Every test  
To put me through

She doesn't talk  
For days and days  
And when she does  
She always says  
That I act real slow  
Behave like an animal  
What am I supposed to do

And I've tried

But I just can't let her go  
And I've tried  
But she always seems to know  
We don't make sense  
Love and violence
