"She's Leaving"

Visit "[She's Leaving](#)" on MotoLyrics.com

Every day a new start, and she prefers the sudden
truth
We'll never learn to guide our heart, we'll never find
what we deserve
She's leaving, she waited for so long
She pretends that he cares, invents some tale just to
get his heart
With no more dreams she didn't have
She washed her hands of this whole affair
She's leaving, she waited for so long
She's leaving, she waited for so long
But as she left, she gave her all, abandoned hope, she
took for home
I thought I had all the dedicate, the more we learn, the
less we know
The more we learn, the less we know
