This is the room, this is the wall
This is the body I've been hoping for
These are the words I've been longing just to say
So this is my goal, the end of my life
This is the feeling that won't be amassed
Oh my God what have I done this time
Oh my God what have I done this time
The things that you find, the [tug at the sky]
The feeling, the longing, the very [respine]
Oh my God what have we done this time
Oh my God what have we done this time (this time
yeah)
