I didn't want to see you  
Not when you're at your best  
Or talk about the weather  
I couldn't pass the test  
[chorus]:  
So many things I do  
So many things I say  
Give you the wrong idea  
So many things I do  
So many things I say  
Just make a fool of me  
(And) then you turn away  
Then you turn away.  
I couldn't help but call you  
I waited almost all the week  
I didn't want to hear you  
Laughing aloud at me

There's people saying that it's obvious  
That I'm wasting my time on you  
There's people saying that it's obvious  
That I've fallen in love -  
It's not true, (it's) not true, (it's) not true...
