"Walk Tall"

Can't wait to see you
Say black is white.
Can't wait to hear you
Tell me lies.
(I'd) say it with flowers
But I'd swallow too much pride.
Stop counting the hours
'Till I'm right there, by your side...
[chorus]:
(Walk Tall)
I'll never cry to you.
(Walk Tall)
Not if you begged me to...
Wishing and hoping
To see the light...
Waiting and praying
It'll be alright...
Remember the days we spent
Just lying on your bed...
Remember how crazy we went
Right out of our heads...
