[chorus]:

Was it something I said,  
Or something you read?  
That's changing your mind,  
That's turning you around?  
Was somebody wrong,  
Or somebody right?  
What was it made up your mind?  
What could change overnight?  
And if all of your friends  
That used to be mine  
Come down off the fence  
I'd swear that you'd find:  
I can hate you no more  
I can't even the score  
Almost half of my life  
Just fell right on the floor.  
Don't you come 'round here no more  
Don't you waste my time  
Don't you dare to phone me  
Don't you even have me on your mind!  
Was there someone you know  
Who won't let you go?  
They're pushing you under,  
And bleeding you slow.  
They don't want your time,  
They won't give you mine.  
Their hand's in your pocket,  
And your heart's on the line.  
I know I'm not perfect  
I wanted to be  
I have this big mouth  
It always contradicts me.  
You say you don't know,  
I say anything goes.  
Baby, you think it's over,  
Then this you should know:  
Don't you come 'round here no more  
Don't you waste my time  
Don't you dare to phone me  
Don't you even have me on your mind.
