I'm inbetween friends.
C'mon.
Take my hand.
And you'll understand.
Where I'm coming from.

Come and take my hand.
And show me a place.
Where I can hold your hand.
And just be friends.
And I be your woman.
I'm inbetween friends.
I'm inbetween friends.
And romance.
I'm inbetween friends.
I'm inbetween friends.

I'm inbetween friends.
Come inside.
And take my hand.
And you'll understand.
Where I'm coming from.

I'm inbetween friends.
I'm between friends.
I'm between friends.
Come and take my hand.
And show me a place.
Where we can belong as just friends.
Come and show me a place.
Where we can be friends.
And I can be your woman again.

I'm inbetween friends.
C'mon.
Take my hand.
And you'll understand.
Where I'm coming from.

I'm inbetween friends.
