Plastic faces in the dark,  
Empty spaces and emptier hearts,  
This time I'm taking back what's mine.

Lights from your eyes,  
Guide the way,  
Through darker times,  
We'll find a way.  
But each day is getting longer,  
The wounds will soon be gone,  
And we'll raise the dead together.  
This is the resurrection.

Something,  
Somewhere,  
Went wrong.  
Dispair?  
But I,  
Don't care,  
This is the end.  
Try me,  
One time.  
You'll see,  
I'm fine.  
This is the last time.

Lights from your eyes,  
Guide the way,  
Through darker times,  
We'll find a way.  
But each day is getting longer,  
The wounds will soon be gone,  
And we'll raise the dead together.  
This is the resurrection.

Goddamn!  
Well we're the ones you love to hate.  
But every fucking thing,  
You ever said to me,  
Was just another force,  
Behind my back,

Pushing me,  
To fuck you up.  
Zomg, they're shit, fuck them, fuck Ravenface.  
Shut the fuck up bitch,  
I'll break your fucking face,  
This is the sound of me not giving a fuck what you  
think.

Lights from your eyes,  
Guide the way,  
Through darker times,  
We'll find a way.  
But each day is getting longer,  
The wounds will soon be gone,  
And we'll raise the dead together.  
This is the resurrection.
