I never wanted another  
Come over to me and discover  
I want to be near you  
And you need to be far away  
You always seem to make me feel at home  
Baby..  
Before I go people lie

I never know, I never know, I never know, I never know  
why  
You make me want to cry  
I never know, I never know, I never know, I never know  
why  
Forever live and die

I look at all of the people  
Doing it over and over  
You're never getting older  
I wish that you could be here  
I hope that you and I  
Made the same mistakes  
Baby..  
Before I go

I never know, I never know, I never know, I never know  
why  
You make me want to cry  
I never know, I never know, I never know, I never know  
why  
Forever live and die

I never know, I never know, I never know, I never know  
why  
You make me want to cry  
I never know, I never know, I never know, I never know  
why  
Forever live and die

I never know, I never know, I never know, I never know  
why  
You make me want to cry  
I never know, I never know, I never know, I never know

why  
Forever, forever live and die
