Well, here we are again, too, too good to be friends  
Forever, forever, forever  
Well, look at what we've done, three, three worlds into  
one  
Together, together, together  
So, how can this be true, we, we thought that me and  
you  
Forever, forever, forever  
[...]  
In a [world full of morning stark]  
Rising over [unshed junk]  
Dancing in the rigs of the western world  
Blindfolds on but we don't care
