One by one the walls come down  
Spread the word all over town  
Kicking screaming like I'll drown  
Can't you see I'm fallin

I want you, do you want me  
What's it take to make you see  
Like bomb that ticking endlessly  
Can't you hear me callin'

Will you, won't you, come with me  
Wishin hopin' that you'll see.

Chorus:

If you want it, it will come  
Through the rain and burning sun  
Over hills and far away  
Nothing stops this, not today  
Take a chance on me tonight  
Baby it'll be alright  
Nothing ventured, nothing gained  
Nothing lost but all the tears and pain

Gimme all you got to give  
Live your life you wanna live  
No point of thinkin' backward if  
Come on make my day

Tell me what I need to know  
If you don't want this then I'll go  
Insane but I won't let it show  
Don't let me walk away

Will you, won't you, come with me  
Wishing hopin' that you'll see.

Chorus:

If you want it, it will come  
Through the rain and burning sun  
Over hills and far away

Nothing stops this, not today  
Take a chance on me tonight  
Baby itâ€™™ ll be alright  
Nothing ventured, nothing gained  
Nothing lost but all the tears and pain

If I could make you start to understand  
If I could only make you see  
What this all means to me  
oooh oh  
Let it in inside your heart  
Set your mind and spirit free  
Show me show me shooooow me (show meeee!)

Ooooh ooooooh  
Ooooh ooooooh  
Ooooh ooooooh

Chorus

If you want it, it will come,  
Through the rain and burning sun  
Over hills and far away  
Nothing stops this, not today  
Take a chance on me tonight  
Baby itâ€™™ ll be alright  
Nothing ventured, nothing gained  
Nothing lost but all the tears and pain  
(Repeat)
