I love and hate you
at the same time
I need you don't need you
is that such a crime
I wouldn't walk down the road
to say goodbye
I couldn't give you up
to some other guy
I wouldn't do anything
that you asked me to
but you know
that it's true
I still love you
I want you to help me
to make up my mind
I need you to hear me at least
some of the time
I wouldn't blame you
if you had to run away
I couldn't stand to live
like this another day
but I would sell my soul
to get you back today
cause you know
that it's true
I still love you
I wouldn't blame you
if you had to run away
I couldn't stand to live
like this another day
but I would sell my soul
to get you back today
cause you know
that it's true
I still love you
and you know
that it's true
I still love you
and you know
that it's true
I still love you
