Talk to me, don't lie to me  
Save your breath  
Don't look at me, don't smile at me  
Just close your eyes

I was so impressed by you  
I was running blind  
I would fall for every trick  
Every twist of mind

Heaven is cold  
Without any soul  
It's hard to believe  
I was so in love with you

Don't say your prayers, don't build your hopes  
Just walk away  
Don't phone me up, don't call around  
Don't waste your time

You were so in awe of me  
You were so divine  
You would do just anything  
To still be mine

Heaven is cold  
Without any soul  
It's hard to believe  
I was so in love with you

All the things you said to me  
I was so obsessed  
You were always talking, talking  
God, I did my best

Heaven is cold  
Without any soul  
It's hard to believe  
I was so in love with you
