I remember that Monday morning  
When I was subpoenaed to be in court

Many things ran through my mind  
I started thinking about the people  
All day long, trying to think  
Of something to say to the people

Are you ready for the question?  
All in favor, let it be known by standing on you feet

I want young men and young women  
Who are not alive today  
But who will come into this world  
With new privileges and new opportunities

I want them to know and see  
That these new privileges and opportunities  
Did not come without somebody  
Suffering and sacrificing for

Freedom is never given to anybody

Like anybody, I would like to live a long life  
Longevity has its place  
But I'm not concerned about that now  
I just want to do God' will

And He has allowed me  
To go up to the mountain  
And I've looked over  
And I've seen the promise land

I may not get there with you  
But I want you to know tonight  
That we as a people  
Will get to the promise land

So I'm happy tonight  
I'm not worried about anything  
I'm not fearing any man  
Mine eyes have seen the glory

Of the coming of the Lord

Glory Hallelujah, glory Hallelujah

Glory Hallelujah, glory Hallelujah
