Tesla girls, Tesla girls
Testing out theories
Electric chairs and dynamos
Dressed to kill, they're killing me
But Heaven knows their recipe

No, no, no

You wouldn't believe me if I said
The things I've seen went over my head
I've been patient Heaven knows
I've learnt the rules and how it goes

I can't sit still or settle down
And when I walk I don't touch the ground
See those girls they're heaven blessed
I guess it's so they know best

Tesla girls, Tesla girls
Writing in their diaries
Now and then they'll watch TV
Now and then they'll speak to me
But Heaven knows their recipe

No, no, no

You wouldn't believe them if they said
The things they've seen went over their heads
They've been patient Heaven knows
They seem to care and so it goes

They can't sit still or settle down
And when they walk they don't touch the ground
See those girls they're heaven blessed
I guess it's so they know best

Tesla girls
Tesla girls

Tesla girls
Tesla girls

Tesla girls, Tesla girls
Testing out theories
Electric chairs and dynamos
Dressed to kill, they're killing me

Tesla girls, Tesla girls
I'm in love with Tesla girls
Now and then I watch TV
Now and then they'll speak to me
But heaven knows, but heaven knows
But heaven knows their recipe

No, no, no
