I didn't want to see you  
Not when you're at your best  
And talk about the weather  
I couldn't pass the test

So many things I do  
So many things I say  
Give you, wrong idea

So many things I do  
So many things I say  
Just make a fool of me

Then you turn away  
Then you turn away

I couldn't help but call you  
I waited almost all the week  
I didn't want to hear you  
Laughing aloud at me

So many things I do  
So many things I say  
Give you, wrong idea

So many things I do  
So many things I say  
Just make a fool of me

Then you turn away  
Then you turn away

There's people saying that, "It's obvious  
That I'm wasting my time on you"  
And people saying that, "It's obvious  
That I've fallen in love, it's not true"

So many things I do  
So many things I say  
Give you, wrong idea

So many things I do

So many things I say  
Just make a fool of me

Then you turn away  
Then you turn away
