Here we come again  
Like a message in the pouring rain  
And every now and then  
I still call your name

Like partners in crime  
Every once in a while  
Like the fishes at sea  
It's just the life we lead

We're going up  
We're going down again  
We're going up  
We're comin' down again  
Watch us fall

And time stood still  
In a distant town  
I know you  
I know you much too well

Last year you said  
It's time to settle down  
Last time I saw you  
Oh, you were still runnin' around

Going up  
Going down again  
We're going up  
We're comin' down again  
Watch us fall  
Watch us fall

Remember when you said  
It's time to settle down  
Well, last time I saw you  
You were still runnin' around

Going up  
Going down again  
We're going up  
We're coming down again

Watch us fall  
Watch us fall

Oh, you said  
Watch us fall  
Watch us fall  
Watch us fall  
Watch us fall
