I?m going to get you
(Trash)
For the lies you?ve been telling
(Trash)
And I?m going to tell
(Trash)
The people you call your friends
(Trash)

I?m going to break
(Trash)
Every bone in your body
(Trash)
That perfect little body
(Trash)
That?s been so close to mine
(Trash)

Trash, trash, trash, trash
Trash, trash, trash, trash, trash
Trash, trash, trash, trash
Trash, trash, trash, trash, trash

Trash

We?ve been together
(Trash)
Just as long as I remember
(Trash)
But your mouth is a weapon
(Trash)
That is worse than any knife
(Trash)

Trash, trash, trash, trash
Trash, trash, trash, trash, trash
Trash, trash, trash, trash
Trash, trash, trash, trash, trash
Trash, trash, trash, trash
Trash, trash, trash, trash, trash

Trash

Trash, trash, trash, trash
Trash, trash, trash, trash, trash
