(Verse 1) (Ray)

Think

That I tried everything

to work this out (to work this out)

And I know that youâ€™™ re thinking

Why you took so long

to figure out.

That youâ€™™ re the only one who

can mend this broken heart so.

beyond the veil

I stand before you now,

I need your power.

I love her but see

my mother couldnâ€™™ t help me

and itâ€™™ s crazy cus my friends

didnâ€™™ t understand me.

I feel so foolish to

have pushed you out

I need your powers.

So without stretched hands

And bending knees,

I bow my head

with tears flowing down

my cheeks.

(Chorus)(Ray & Trey)

Intercede, Intercede

Intercede, Intercede

Father please solemn me

I cried

Mercy seat

Intercede, Intercede.

I know I pushed you away

I canâ€™™ t wait another day

So without stretched hands

and piercing me

Intercede, Intercede.

(Verse 2)(Trey)

I see the holes where nails

went through your hands,

and I mourn every scar

or thorns pierced

through your head.
My soul cries out all over me,
remove all these demons
who surround me.
(Chorus)(Ray & Trey)
Intercede, Intercede
Intercede, Intercede
Father please solemn me
I cried
Mercy ceased
Intercede, Intercede.

I know I pushed you away
I can't wait another day
So without stretched hands
and piercing me
Intercede, Intercede.
(Bridge)(Ray & Trey)
Intercede for me
Intercede for me (Intercede)
Intercede for me (Intercede)
Intercede for you.
Intercede, Intercede
Intercede for you (Intercede)
Intercede for me (Intercede)
Intercede, Intercede.
(Chorus)(Ray & Trey)
Intercede, Intercede
Father please solemn me
I cried
Mercy ceased
Intercede, Intercede.

I know I pushed you away
I can't wait another day
So without stretched hands
and piercing me
Intercede, Intercede.

Intercede, Intercede
Father please solemn me
I cried
Mercy ceased
Intercede, Intercede.

I pushed you away
But I can't wait another day
Without stretched hand.
Intercede, Intercede.

Feel so around,

Ohhhh yeaaahhh
Intercede.
