I've got style, I've got rhythm  
Got vibes that make you listen  
You ain't ever met a girl like me  
Baby I'm for real, eh  
(Said I got what ya want, I got what ya need)

I'm that fire you've been missin'  
The last puzzle piece you're missin'  
You ain't ever met a girl like me  
Baby what's the deal? Eh  
(So come on over if you like what you see)

Ain't no reason to be any different  
You should want the best  
Hey baby you won't find nobody  
Quite like myself  
What you see is what you get, oh

Cos baby I'm hard  
Can't nobody do it like me  
Don't step here or try to test or you'll see  
I'm bout to blow 'fore you count to three  
So watch how I'm doin' this

How I'm doin' this  
Watch how I'm doin' this  
How I'm doin' this  
Watch how I'm doin' this  
How I'm doin' this  
Watch how I'm doin' this  
How I'm doin' this  
Can't nobody do it like me

You've never met a girl like me  
Persona straight electrical  
To get with me make perfect sense  
We fit like we're symmetrical  
No other girl can do this better  
Chronz will send like posted letters  
Understand the plan I want you in my life now forever  
Better than me they can't be

Bring fire to your heart beat  
To think these chicks can stop us boy they're foolish  
like Ashanti  
Been doing this ting from long time  
I've got the looks and I've got them vibes  
Got the swags on lock so I'll be looking fresh like all the  
time

Ain't no reason to be any different  
You should want the best  
Hey baby you won't find nobody  
Quite like myself  
What you see is what you get oh

Cos baby I'm hard  
Can't nobody do it like me  
Don't step here or try to test or you'll see  
I'm bout to blow 'fore you count to three  
So watch how I'm doin' this

How I'm doin' this  
Watch how I'm doin' this  
How I'm doin' this  
Watch how I'm doin' this  
How I'm doin' this  
Watch how I'm doin' this  
How I'm doin' this  
Can't nobody do it like me

Baby let's take it slow  
Come get to know  
I know you're down for me  
You know I've got your back  
I'm real like that  
Cos no girl can do it like me

Cos baby I'm hard  
Can't nobody do it like me  
Don't step here or try to test or you'll see  
I'm bout to blow 'fore you count to three  
So watch how I'm doin' this

How I'm doin' this  
Watch how I'm doin' this  
How I'm doin' this  
Watch how I'm doin' this  
How I'm doin' this  
Watch how I'm doin' this  
How I'm doin' this  
Can't nobody do it like me
