There's something bout the night  
That makes me wanna move my body right  
A tension's building up that I can't fight  
And I won't stop until I'm satisfied, til I'm satisfied

Don't be shy, get in the middle show me how you wind  
Drop it low and now then take it high  
Jump on the beat and then just let it ride, just, just let it  
ride

Chorus:

Something like a fever got me burning  
It's concerning baby, yeah yeah yeah  
Something like a heartbeat got me rocking  
Ain't no stopping baby, yeah yeah yeah  
Something like a fever got me burning  
It's concerning baby, yeah yeah yeah  
Something like a heartbeat got me rocking  
Ain't no stopping baby, yeah yeah yeah

There's something 'bout the night  
That captures all the things I love in life  
To me the dance-floor's like a paradise  
Where all my worries melt away like ice, melt away like  
ice

Throw my hands high  
I'm moving in between the flashing lights  
And tell the DJ pull up one more time  
Roll out the beat and then just let it ride, just, just let it  
ride

Chorus:

Something like a fever got me burning  
It's concerning baby, yeah yeah yeah  
Something like a heartbeat got me rocking  
Ain't no stopping baby, yeah yeah yeah  
Something like a fever got me burning  
It's concerning baby, yeah yeah yeah  
Something like a heartbeat got me rocking  
Ain't no stopping baby, yeah yeah yeah

Ooo, my blood is boiling up the fever from  
Where you're standing, must be far too strong  
Don't keep me waiting here too long  
And ooo it's getting much too hot for me to bare  
I feel the thickness of the humid air  
Causing me some kind of despair

Get off you chair and dance  
Finish the drink that's left in your glass  
I don't wanna hear you say that you can't  
Just two step make the blood pump to your heart  
Pump to your heart, pump to your heart,  
Get down low gonna wind down fast  
Wind down fast, wind down fast,  
That's how the girl in my town dance

Chorus:

Something like a fever got me burning  
It's concerning baby, yeah yeah yeah  
Something like a heartbeat got me rocking  
Ain't no stopping baby, yeah yeah yeah  
Something like a fever got me burning  
It's concerning baby, yeah yeah yeah  
Something like a heartbeat got me rocking  
Ain't no stopping baby, yeah yeah yeah
