What fell off that truck? - and then pulled you to where
you wanted to go - and you were so insolent " but
you not gone change - and you were on that horse
" see " try'ing to ride away - now that you rot
" way - today - I'm going to pick a different
place to hide-

CHORUS;

I can't hardly breathe - I can't hardly walk - I
don't wanna do it a'gin - so this is - where you stay -
and you could grow - and you can move - then you die
(2 X)

VERSE 2

Walking up the stairs backwards - to prove to you - how
I can be - now that we driving backwards on the
highway - and you was in the pre-modest - and so
ready to have the clarity - for that second time - and
you just think ? -

CHORUS;

I can't hardly breathe - I can't hardly walk - I
don't wanna do it a'gin - so this is - where you
stay - and you could grow - and you can move - then
you die (2 X)

VERSE 3

Where is my sense of pride ? - and now that I die - that
stuff wasn't real - you playing jack and Jill - you wanna
go up the hill - and you can sit on the wall - and hope
you don't fall - out on you getting ate by a wolf -
and you can London bridges fall down - now that your
Billy goat gruff - and you can fantasize about this

CHORUS;

I can't hardly breathe - I can't hardly walk - I
don't wanna do it again - so this is - where you
stay - and you could grow - and you can move - then
you die (2 X)

VERSE 4

It's in my large belief - that you are in the street -
hoping for - now that was - how you were - and you've
been - and you claim - and you come - and you walk -
and you move - mile and mile - smile and smile - and
just keep going - don't stop - walk them miles -
don't stop - walk them miles!

CHORUS;

I can't hardly breathe - I can't hardly walk - I
don't wanna do it again - so this is - where you
stay - and you could grow - and you can move - then
you die (2 X)
