Verse 1

Now that I have found my openâ€™™ d door â€™“ with
what couldâ€™™ ve not been â€™“ now that I can tell
exactly where I am â€™“ itâ€™™ s a wonderful â€™“ and
colorful â€™“ and now that I know â€™“ and you are in the
reasons â€™“ and the curtains â€™“ making me â€™“ not
breaking me â€™“ youâ€™™ ll find out sooner than you
think â€™“ now that I come â€™“ to Grafton oaks - where
they let the happy people be.

Chorus :

Open a coffin what I said it offâ€™“ open up and leaving
with the keeping off- making checking watching with
the different thoughts â€™“ and letting everything be
down and grown â€™“ and watching with â€™“ the
touching with â€™“ and you wonâ€™™ t forget â€™“ making
and itâ€™™ s getting close. (((2X)))

Verse 2

Now that Iâ€™™ ve found that closed door â€™“ that was
not wrong for what it did - meant it and said it â€™“ for
what couldâ€™™ ve been taken for granted â€™“ and you
watched up everything â€™“ and tried to wonder into the
wrong place â€™“ where they bust your fucking face â€™“
the place mats dedicated right here today â€™“ and you
can see â€™“ what you gone admit.

Chorus :

Open a coffin what I said it off â€™“ open up and leaving
with the keeping off - making checking watching with
the different thoughts â€™“ and letting everything be
down and grown â€™“ and watching with â€™“ the
touching with â€™“ and you wonâ€™™ t forget â€™“ making
and itâ€™™ s getting close. (((2X)))

Verse 3:

The nature that came around and parted it down â€™“

and patted out â€” and you can say â€” that you aint
â€” but you aint â€” and know that I wake up â€” when I
didnâ€™t wanted â€” Grafton oaks â€” steady killing
folks â€” and that I wonâ€™t go back to Grafton oaks
â€” for some â€” but I rather be somewhere thatâ€™s
good. And thatâ€™s all it is â€” and you can watch
more â€” now that you are in the minute.

Chorus :

Open a coffin what I said it of â€” open up and leaving
with the keeping off- making checking watching with
the different thoughts â€” and letting everything be
down and grown â€” and watching with â€” the
touching with â€” and you wonâ€™t forget â€” making
and itâ€™s getting close. ((2X))
