VERSE 1 (scream mo)

Now you better turn around look at me - quickly -
before I change my mind and just do something - and
you won't care - I'm infested - with a disease -
that won't end - I'm infested - with insects - and
wanna have some sex - and you want to look at me
weird - and I don't care to explain

CHORUS

I'm infested by my life - infested by my choices -
infested by sources - infested by something - infested
by my friendships - infested

VERSE 2:

Now that the hour glass - is showing me - that the sand
is about a minute too empty - and I'm running from
a a problem - no one - will solve them - and you are
dead - cause you going to die - and you are infested to
- matter fact - I caught it from you - in my bedroom - off
in my living room

CHORUS

I'm infested by my life - infested by my choices -
infested by sources - infested by something - infested
by my friendships- infested

VERSE 3;

Utility closet - did you just say utility closet? - yes - get
into the utility closet - man come on be serious - dude I
am serious - get in the damn utility closet - now that
you are inpatient - about patients - and that you are in
the fucking broom room infested - I'm sorry -
something is going to break - I'm infested

CHORUS

I'm infested by my life - infested by my choices-

infested by sources - infested by something - infested
by my friendships- infested

VERSE 4

Solid too you - may not be to at all - and the down fall -
and the lossâ€™es and the choicâ€™es and the
rumors - and the dead end - you were closeâ€™ing
into bullshit - I didnâ€™t curse - this is a curse - she
thinking first - she wantâ€™s us to break up - thatâ€™s
what she wants - I got a place for her - in the utility
closet also !

CHORUS

I'm infested by my life - infested by my choices -
infested by sources - infested by something - infested
by my friendships - infested
