#### VERSE 1

In the ways that I write too you - and you could start  
getting so nigger - and what you decided - wonâ€™t be  
invited - Iâ€™m not excited - the empty rising â€œ  
n\*i\*g\*g\*e\*r\* - now that you got your bar of thoughts -  
and that the game is landing - and now you can work  
the emotions - and try to be like a nigger - but I  
donâ€™t care

#### CHORUS

You are just a nigger - one messed up nigger - I can  
see you you acting - you are a nigger - wish you could  
be more realer - you are a nigger - your are a nigger

#### VERSE 2:

Toward the balcony - where I first saw him - with a  
ignored look on his face - he said ah honky - and  
Iâ€™m not with this - he certified nigger - they trying to  
say - that they a melt head - for being black - and  
listening to rock - I take my mental back - with your  
nigger ass - stick with your nigger class'

#### CHORUS

You are just a nigger - one messed up nigger - I can  
see you you acting - you are a nigger - wish you could  
be more realer - you are a nigger - your are a nigger

#### VERSE 3:

Now that you â€™ware - of the stair in my eyes - you  
made me realize - now that justice prevails - and you  
are marked - and I witness you - and you can say - that  
everything will be ok - because of my color - you  
choose to smother - you mutherfucker - and I donâ€™t  
want you cool - if you a nigger - maybe if you was only  
black

#### CHORUS

You are just a nigger - one messed up nigger - I can  
see you you acting - you are a nigger - wish you could  
be more realer - you are a nigger - your are a nigger

#### VERSE 4

Now that the reality - of the way you move - and you  
can keep your beliefs - cause you my nigga - I donâ€™t  
like something about your nigger friends - they  
alâ€™ ways talking behind my back - with their nigga  
ass's - and I canâ€™t believe what my friend April told  
me - with her white ass

#### CHORUS

You are just a nigger - one messed up nigger- I can see  
you you acting - you are a nigger- wish you could be  
more realer - you are a nigger - your are a nigger
