VERSE 1 (28 second pause E " V)

Now that it's about right now - how you was now - I let it
down - I could smell you from across the room - now
you are in the sweetness - and you can be that real
great " good - and I bet - that your skin smooth -

Chorus :

Wanna come around you - and see with your close up -
making with the moment - shaking getting sober - me
we getting higher - no problem with another -
something other - than what I expect - and recollect -
the double check

Verse 2:

It's you who even had this problem possible - and now
you can try too sq'inch up your face - girl you
should"™ ve just let me get away - but now it seems
that you want me too pay - and I can see you want your
family too check me

Chorus :

Wanna come around you - and see with your close up -
making with the moment - shaking getting sober - me
we getting higher - no problem with another -
something other - than what I expect - and recollect -
the double check

Chorus :

Wanna come around you - and see with your close up -
making with the moment - shaking getting sober - me
we getting higher - no problem with another -
something other - than what I expect - and recollect -
the double check

6. Helium

VERSE 1

It's waiting over there on the table - behind the helium masks - you're going to want some oxygen - for how I smother you - and don't let no man or women get close to you - I propose to you - do what I say - and you want get your ass whopped - you are hanging from that cilan fan string - and I might pull it - you speaking bullets - I'm speaking bullets - the sent we reek it -

CHORUS

I wanna put on my helium mask - can't wait to get away from your ass - please get up out my face - I don't need you - I need my helium mask!

VERSE 2

Now that you throw the dishes - you seaming worried if I date your friend or girlfriend - you are working on my IV veins - why do I trust you ? - pussy is powerfull - but pussy washes off in the shower too - just like your B.S. thoughts - I opened up the door and look at what I saw - a girl with a chain saw - hell naw!

CHORUS

I wanna put on my helium mask - can't wait to get away from your ass - please get up out my face - i don't need you - I need my helium mask !

VERSE 3

Don't shut the door when I'm talking to you - what was what - what was threw - now that I see you - fuck some D@jã vu - you coming back - you aint that true - strictly rock - on my radio - somehow - now that you watching for what I did - slid off up into you - now you can me pass me - what I need

CHORUS

I wanna put on my helium mask - can't wait to get away from your ass - please get up out my face - I don't need you - I need my helium mask !
