Verse 1

Another reason to breathe even " with the words that
get you to logic " that that that in my pocket " now
that I break out " and you can watch " in - in the
stands - holding on to what that feeling was " just
stand up " and with that just move on.

Chorus (2X)

" The hills have eyes " and I can tell " and you
can change - make a plan " but the hill will always
have eyes " look into what you expect " and then
put in check " now that the hill " is the hill "

VERSE 2

Words up in the first up " with shy plush " with
grind " mind plus - with the shine won't go back
down " and you can release the pageant " with the
asking " with the nature " of the legislature "
and we could come around and make it " what it is
"

Chorus (2X)

" The hills have eyes " and I can tell " and you
can change - make a plan " but the hill will always
have eyes " look into what you expect " and then
put in check " now that the hill " is the hill "

Verse 3

What was tossing up " in the cause " in the mist of
- what my action branging " and they are in the
sense - no time tip repents " close than a move with
books - now that the sound ranging in the bed with
satin " now that they dedicated to hate " in "
they open'd up

Chorus (2X)

" The hills have eyes " and I can tell " and you

can change - make a plan " but the hill will always
have eyes " look into what you expect " and then
put in check " now that the hill " is the hill "

Verse 4

Now that the justice and rolling in circles - the smirf
might turtle - if you get lucky enough " would you
touch and trust " and this is in the mile " and you
can just climb " back into your health " now that
I'm not even living in hell " it touches me deeply.

Chorus (2X) " The hills have eyes " and I can tell
" and you can change - make a plan " but the hill
will always have eyes " look into what you expect "
and then put in check " now that the hill " is the hill
"
