CHORUS

You have openâ€™™ d my eyes to see - making this what
it is going to be - for what I used to feel - kill kill kill -
chill pills taking up for me - wonâ€™™ t hurt me - take it
freely - wonâ€™™ t hurt me - gun you have - have giving
me this feeling - take this off me

VERSE 1:

I should have known that I - was in the wrong lane -
going in the wrong way - and then I came to my senses
- with a 24 ounce of beer - the peer through my ears -
they wanted me to hear - I could not take the pain - and
the weather - and I said - somebody open my eyes - I
have even abortion'ed my child - I even waited for a
while.

CHORUS

You have openâ€™™ d - my eyes to see - making this
what it is going to be - for what I used to feel - kill kill kill
- chill pills taking up for me - wonâ€™™ t hurt me - take it
freely - wonâ€™™ t hurt me - gun you have - have giving
me this feeling - take this off me

VERSE 2:

You are in the emotions- they way you openâ€™™ d up
my pack of cigarettes - and you were there in too many
different ways â€™™ donâ€™™ t touch my shit - no no - you
ask before use - yes yes - and now that you have
openâ€™™ d my eyes - to get rid of you and let you down
- well lâ€™™ m sorry - bye

CHORUS

You have openâ€™™ d my eyes to see - making this what
it is going to be - for what I used to feel - kill kill kill -
chill pills taking up for me - wonâ€™™ t hurt me - take it
freely - wonâ€™™ t hurt me - gun you have - have giving
me this feeling - take this off me

VERSE 3

Now that you are imagining - what I came through the
door for - I left my coat and CD - now that Iâ€™m
seeing what your people told me - and you wonâ€™t
have to answer - they said you stopped smoking -
because you felt cancer - in the bedroom - where I
enhance - this free dance - rather or not you like rather

CHORUS

You have openâ€™d my eyes to see - making this what
it is going to be - for what I used to feel - kill kill kill -
chill pills taking up for me- - wonâ€™t hurt me- take it
freely - wonâ€™t hurt me- gun you have have giving
me this feeling - take this off me
