I cut off my red hair You need me Entertain my friends They hate you

This little death of yours Don't touch me We are strangers But your jacket, face, shoes are not

I said boy [x3] (Boy) Let your sweet eyes embright me The colour just strikes me [x2]

Get easy on my feet Flying high Moving closer, I can't breathe Stay this time [x5]

I said boy [x3] (Boy) Let your sweet eyes embright me The colour just strikes me [x2]

Boy I said boy [x2] (Boy) Let your sweet eyes embright me The color just strikes me

I said boy [x3] (Boy) Let your sweet eyes embright me The color just strikes me
