Take your time
Don't be shy
Colour your eyes tonight
I'll make it work
You'll make it work
We'll make it work

Take your time
Don't be shy
Colour your eyes tonight
I'll make it work
You'll make it work
We'll make it work

I'll make it work
You'll make it work
We'll make it work
(x2)

Take your time
Don't be shy
Colour your eyes tonight
I'll make it work
You'll make it work
We'll make it work

Nobody knows
Which sparks will glow
I'll colour your sight again
I'll make it work
You'll make it work
We'll make it work

I'll make it work
You'll make it work
We'll make it work
