Ode to Jim

Hey kids get out the way, all that talkin but I wish you'd  
say,  
Come pray girl, step out of line,  
One more step I'm gonna make u mine  
But your sign says, get out your fears  
Long time coming, wanna waste more tears,  
Cause u can't stand without yur rope,  
I won't let my timing go

She goes all the way  
And Sunday Mornin'  
Don't mean to much to him

She goes all the way  
But she won't go back  
If she can't go back to Jim

Hey boy get out the way, lord ain't comin so you best  
not stay  
Come pray girl, do what You must,  
Preacher A man gonna save your soul I trust  
And your mind says get out of here  
Talk yourself outta seein life too clear  
Cuz i can't stand without a rope  
I won't let my timin go.
