I've got a fast life and
A slow cuttin' knife
I've been drinkin' at a poisoned well
No home and a bag of bones
And nothin' else left to sell
I know why I'm in this hell
I just don't wanna believe
Past that line you just can't tell
But right now

There's someone lookin' out for me
I came out of the darkness
With a bullet in my hand
I got one more shot at livin'
I'm lucky that I can
Cause I got a little roughed up
Yeah I really got fucked up
I came out of the darkness
With a bullet in my hand

I got a cold stare, the wound's still there
But there ain't much left to bleed
A short fuse that I still use
I'm my own worst enemy
Stare at the faces I once knew lined up just to bury me
There's a long black car that's waitin' to leave
But right now

There's someone looking out for me
I came out of the darkness
With a bullet in my hand
I got one more shot at livin'
I'm lucky that I can
Cause I got a little roughed up
Yeah I really got fucked up
I came out of the darkness
With a bullet in my hand

Cause I got a little roughed up
With a bullet in my hand
Yeah I really got fucked up
With a bullet in my hand

Can you see the light?
Can you see the light?

Can you see the light?
I can see the light
I can see the light

There's someone looking out for me
I came out of the darkness
With a bullet in my hand
I got one more shot at livin'
I'm lucky that I can
Cause I got a little roughed up
Yeah I really got fucked up
I came out of the darkness
With a bullet in my hand
