I've heard there's a place where we go to die  
It's a terribly overrated horse-shit shaped hole in the  
sky  
Kick off your heels and come with me tonight (x2)

I've heard there's a place where we go to die  
It's a terribly overrated horse-shit shaped hole in the  
sky  
Kick off your heels and come with me tonight (x2)

I've heard there's a place where we go to die  
It's a terribly overrated horse-shit shaped hole in the  
sky  
Load up Old Bill's twelve-gauge and meet me by the  
lake  
There's a place I know where nobody goes down by the  
old interstate  
Kick off your heels and come with me tonight (x2)

Hell, until hell, until hell freezes over  
Until hell, until hell, until hell freezes over

Together until hell, until hell, until hell freezes over  
Until hell, until hell, until hell freezes over

Together until hell, until hell, until hell freezes over  
Until hell, until hell, until hell freezes over

Together until
