Life stops again and holds me here
Inside this force without end
A sentiment I no longer need

Never will I give in
No more will I cry
Never will I be yours
No more will you be mine

Never will I give in
No more will I cry
Never will I be yours
No more will you be mine

We are awake
We are arising
These are the words
Dying again
We are awake
We are arising
These are the words again

Death starts again and sets me free
Inside a love I no longer feel
A sentiment I'll hold tight
And never let go of

I let you go away, yeah
I let you go away, yeah
We are awake
We are arising
These are the words
Dying again
We are awake
We are arising
These are the words
Dying again

I let you go away, yeah
I let you go away, yeah
We are awake
We are arising

These are the words
Dying again
We are awake
We are arising
These are the words
Dying again

I let you go away, yeah
I let you go away, yeah
We are awake (we are awake)
We are arising (we are arising)
These are the words
Dying again
We are awake (we are awake)
We are arising (we are arising)
These are the words
Dying again (dying again)

(I'm dying again) I let you go away, yeah.

We are awake (we are awake)
We are arising (we are arising)
These are the words
Dying again
We are awake (we are awake)
We are arising (we are arising)
These are the words

[Quote from Spider-Man 2]
Do you love me, or not?
I don't
