(originally by Bon Jovi)

This Romeo is bleedin'  
But you can't see his blood  
Nothing but some feelings  
That this old dog's kicked up

It's been rainin' since you left me  
Now I'm drownin' in the flood  
You see I've always been a fighter  
But without you I give up

No I can't sing a love song  
Like the way it's meant to be  
Well I guess I'm not that good anymore  
But baby that's just me

I will love you baby  
Always  
And I'll be there forever and a day  
Always  
I'll be there till the stars don't shine  
Till the heavens burst, and the words don't rhyme  
I know when I die, you'll be on my mind  
I'll love you always

Now your pictures that you left behind  
Are just memories of a different time  
Some that made you laugh, some made you cry  
One that made you have to say goodbye

What I'd give to run my fingers through your hair  
Touch your lips, to hold you near  
When you say your prayer try to understand  
I've made mistakes, I'm just a man

When he holds you close, when he pulls you near  
When he says the words I've been needin' to hear  
I wish I was him cause these words were mine  
To say to you till the end of time

And I will love you baby  
Always  
And I'll be there forever and a day  
Always  
I'll be there till the stars don't shine  
Till the heavens burst, and the words don't rhyme  
I know when I die, you'll be on my mind  
And I'll love you, always  
Always I will love you, always
