Verse 1:

Picking pose - did you get froze - they explode - for the reality - I think that the poet - don't know - that he choose - the come and explode - for the reality - of the posture - of the evening - for the relax - but bitch ass niggas don't wanna be no fag - putting thoughts in drag - you get a stag - but you wont see me in the magazine - you get mad - but I've been bad - now my holsters- rolling coasters - from Dayton Ohio to Oakland - you open - it's easy - so close to be on the first - of the deaf - now that I caught that tramp

Chorus:

Damn I think I caught that tramp - yes I think that I caught that tramp - some of your men are tramps - bitch ass nigga fuck a fag -

Verse 2:

No in the loose mode - in the cover you crept under and touched my "penise" - close to the fucking niggas - that rep real shit - and live real in they life - and now that I got the torch - and then you in the positive - for the blocking - I love using the word positive - in the nigga getting deadly - hanging with wrong people - If I Catch - then I catch - I better forget you - where you coming from - what was it like - in the roam - in the minutes - of the fucking bitches - in the wishes - that's cold - but maybe it aint

Verse 3:

Now that we got this 2013 year off up in this - and the past 2012 and eleven - aint no body dying - house files get wild - now you in the past - in the fresh - of the nigga didn't handle his business - and they don't know - that he can't be on the world wind - and then you fucking with my money behind my back - Then that's the reason why I'm gonna kill your ass - in the flash - of you changing diapers - not me - now be

a man and women - I'm striking people down - like
my name was Conan -

Verse 4:

In the language that speak - you are the prom - we are
the club events - you got me bent - we hood over yall -
and that's that - in the body where you get caught
by somebody - in the after effects - where they
catching tramp ass niggas and bitches; - doing tramp
ass shit - that's just it - where you at - afraid of the
rat, ta, tat, tat, - now you can be a nigger - I bet - I get
this left - I like white people - but no "honkys" - in the
post of the happens - in the globe of the unity.
