Make them niggas - hold on wait a minute - tell them
fellas - up in the red area - then we bang ya - hope you
playing - fuck what you saying - we stay - to hood - we
drinking beer- we high as fuck - you getting fucked up -
you thinking cause - I'm thinking wrong - you are so
sprung - you left alone - this shit we own - Dayton Ohio -

Verse 1:

Now in the papers and the press releases - on your bed
you fleeing - giving me reasons - to be season's - with
your anger - in the minute - where I sleigh them - for
they behavior -Hoping that my relaxation moment at
home - will leave waiting - I'm to hood at these
places - where lower rates - and jail and probation -
holding cases picking deals - for left over meal - You
conceal your sexy body - then I'll eat your couchie -
thug niggas like regardless run threw you-

Verse 2:

You justice cameras - for the dead - but they said - in
the hospital - where I rep high view hill's Dayton Ohio -
then fled threw miles - you acting misery - cause I used
to stay on these streets dude - in the mood - cause the
blank - get the amp - in the stairs - on the way - to the
lord - hurt and then - I kill them boys - cause I'm
gangsta and smart - you don't have no heart but heart -
is where I get love - your not above me - and the cost
they smoking drugs - what the muthafuck

Verse 3:

This is composite - customized - glock - go get it - and
then we can re' hearse - your birth - but the thirst - can
get me to the dirt - I bet it's a curse - your god can't
support me - now with the rates they shorted - They
thinking I'm talking about where I lie- but I aint -The
house files where I learned - everything that I practice
in the street files - look threw miles - taught myself-
Your in the stealth - for the rest - of your life - your not
gone ball - Good thing - I keep money every month any-

way

Verse 4:

The profitable god - get you hard - now your dead -
fuck your lord- hoping that the wishes - was the
"comfortablest" - dishes - now they can pre'miss - the
caught diss - they blocking - no laws in - for this penal
code - you seaming city fool - I think I pity you - I bet
you wanna go - now this hole - role - you over role - now
you can't control - your super bowl - but no touch
downs- you thinking one of my niggas wouldnâ€™t kill
you - I can give a fuck about that - you just fucked up -
Thatâ€™s what-
