Verse 1:

Bitch ass nigga - no game figures - no delivery - in the prospect - you just gone lie to get respect - with the dome check - no checks - you just thinking that I hope believing - now that we riding - we in the lake of the nigga - that shouldn't be - good "ridin's" - the muthafucking just getting - to close - to the end of the time - still right there in my rhyme - Hope a nigga don't live - hope you niggas just die - this is not a white - look at my inter life - some people can't get up to mine - I split this fine - drop gay shit - and don't get disrespected

Chorus:

Don't talk - don't open your bitch ass mouth
don't talk - unless you willing to kill - don't talk -
let me catch your ass in the street - we can get deep -
bitch don't talk - you in your hoping - you in your
bragging boasting - I'm not boasting - my shit hot -
that why you notice

Verse 2:

Now that the world journal - blasting - if it was the past -
I might beat your ass - in the past - now you can be the
will that's in the loft - room - in the barrel - now the
language getting carols - ten the sparrow - job in to the
get off - then it set off - the wet off - the met off - I said
off - get your ass off - I spray you with the off spray - I
can do this solo shit any muthafucking day -
My nine gone split - with this is justice - you in clusters -
that's just it

Verse 3:

My niggas role to trill - in the faculty - that's in the
graph - of you mad me - not actually - in the river - of
the coming - over to you - that's getting curfew -
and then you can play with your self - then you can
disappear - and still not have a name - Got damn - who

are you - now that legal - popping people - got you
heated - I wont be seated - you cant be at him - who
that nigga regardless -= pimping hardest - you gone
get some - then you gone die - donâ€™t talk - shut the
fuck up.
