LEVERAGE & PROSPECT TRACK 16:

(Talking intro: slick instrumental)

Ah this like some real shit - you know that ridding shit-
that type of shit that be like - like red silence in wars
Regardless Devon Victory

VERSE 1:

Plush and duck a sewer leaving - cuff I shouldâ€™ ve
new I need her- fail victim to your muthafucking frail
sitting- crutch into simple shit - plus lâ€™ m cupping
oven tip's - oh muthafucking shit - if you leverage you
gone find lethargy - you gone find the party - lâ€™ m a
fucking prospect - in the fucking projects - where she
sucking -fucking dick- in the come leave it open pretty-
plus her fucking pretty titty's- lâ€™ m not even into this
- she so unâ€™ coming- the hood straight warranted - I
got shot down - I pissed the fucking cop- in case of
lenient - touching blocks- cards down touching shocks -
some been shot - ran there boulevards touching blocks

VERSE 2:

Duck into the centimeter - blind I know they fucking
fleeing- lâ€™ m not fucking human beings - just open
up the casket- that could get your fucking ass kicked -
stack
you ain't never stacking-
track
getting blew out backs-
backs
getting blew out tap's -
taps
get your fucking ass-
strap's
leave you unstrapped-
craps
leaving you crapping out-
you prospected on purpose -
bitch I leave you fucking skirt'less- scam open up the

million- plan to have you broke - and never using M.L.M
- I'm watching no TV you muthafucking ass freezes â€œ

VERSE 3:

Keep into the open center - block so I won't remember -
fall niggas yelling timber- timberland boots â€œ on my
ground land proof- on a dedicated move - with
streetâ€™s tatted rule's- on the mask of the clipping
up- looking up - wondering why my situation is
stigg'a'dy stuck - Look into my vision - to end up seeing
revisions - man fuck your decision - on unless - it's
considered real- I'm thinking in it still- I'm "strapp" with
scraping deal's - I'm strapped with scrapping thrill's -
there are a lot bill's - pertained and getting concealed-
the leverage on the deal- they still blocking it still - I
wanted a fucking million â€œ I'm gonna have it still-
what happened when you die - what happen when
some one getting killed. â€œ what happened if you play
â€œ what happened if I steal.

VERSE 4:

Situated with the fever - duck tapped can't use lever-
you choose too still need here- and keep it real people -
just on my mental notes - where I use fucking provokes
- no more indo smoke - store open up the beer- girl
bring your ass here - and give me a kiss - real bitches
rub your tit's - real niggas grab your dick - watch ass
the shit get twisted - blocked like it's fenced in-
drag â€œ
like they dragged the niggga-
packs
on the counter told you-
dranks
in my hand told you-
streets
on the good told you-
great pussy
yep I told you-
Bed on the real told you-
bold on the real told you-
truth on the real told you-
great on the real told you-
move on the real told you.
