Regardless Devon victory 2011 and 2012 shit- we about to kick this shit off

VERSE ONE:

Standing before em - clog the little - stuffing the middles - I look a log at the cases - the grass saying shady â€œ bladed - destroying locking the navel- turning insane - insanity â€œ said - stated said - daily bread - get shred - duck a piece they guillotine - closet seated sitting rooms - glock a lock foul - tucking ducking clothes - they fuck with me- seated sand foot print- get you sink lost mist - stalking on raw did's- tock'ing like a got damn engine that could - smoke law cred - even unâ€™™ dead - and dated - slotted up like couchie- dope and hope they book the movie - suited sailor - getting duty- nine will leave you not talking to me- blind we leave you walk into me - crime will leave a fucking kennel â€œ time will leave the last track spinning - burning fucking prison sentences - time I did time - crime I'm the muthafucking crime - I ain't muthafucking lying - tripping sitting on that same thought I reprimand - the muthafucking "acrophobic"- sleigh your fucking bitch ass like a muthafuckin making coats and shoes - telling tall lies that I canâ€™™ t even see

CHORUS

YOU AND THE WAR - AND THE STREETS AND THE VIOLENCE - AND THE GUNS- AND YOUR ENEMIES - AND ME AS ONE - AS YOU TORTURED - AND GETTING FUCKING OVER

VERSE 2:

Protesting the dresser - confession your lessons - I'm stripping your blessings- untested contests - open up your body like indigent vessel - caress and leave you tempted stress - call the case and even less- promote your gravity - not having actually - not blasting reality - like smoking I'm so blowed - teasing with the taser-

decent with my manner- grabbing muthafuckas vanish-
so simple to rearrange Manish - your muthafucka shit
bitch - not a fucking game hoe- slipping still laying on
the same fucking quotes hoe- I'm a boat smith- float
your dumb sucker ass- choke your muthafucking ass
like a fucking choke smith - come on out of the clothes
bitch- a rose bitch - like erose bitch -fuck a rose bitch-
I'm deadly like dirt creeks- know you know bitch - I see
you notices.

VERSE 3:

The penalty equipping certificates - slanded in your
problem that someone set me up for - that's a no no
boy - we can all go to war - letting settling minute
scores - the minute - that one of you bitch niggas slip
up and sit my lip - who run this shit cus- I'm deadly not
trying to get high " week a let you sleep talk - and
malted mallets- I'm seeing invisible threats - for as that
shit I ain't gone forget - the comfortable minutes that
your ass sinning - the clock "™ ll be - my shock will be
dirty - I'm coming you herd me- looking at your
daughter pretty pearly's - like shit was pearl harbor - I
don't even want no women - why the fuck are you
bothered- bothering fucking fag- "™ ll fucking blast
your ass- that's for you and your lard - track 19
shortening and vegetable oil will leave that type of
stuff gone -
