### **MAKING THIS SHIT**

Destroy them chump ass niggas - take a real nigga home -and have sex with him nigga- I'm block - cold as filters - stock - loading picture's - stack - holding royal flush'es - cold'en rush'es- illegal in touch'es - fucking with clutch'es - just in case - I'm open'ing the case - I'm holding grudge'es - can't wait too see your nigger ass striped in public - dill pickle smack the smut out of a slut - murdering her guts or lasting long while I'm drowning when I fuck - step up the stairs with your m & f & n step ladder - I'll nock piss out of your internal bladder - what I just said that won't even matter - you can't beat me - in argument or a fight- bitch high good night- so high good by- but I wrote this shit sober- I rang'es and bend over- throw the stacks on floor- cause I'm male fucking stripper- I ain't got time for you simple ass niggas- double 'L's yelling - spelling on simple.

### **CHORUS:**

WHERE IS MY MONEY AND PRODUCT THAT YOU WENT  
TO THE STORE FOR ME TO GET - WHERE IS MY SHIT-  
WHERE IS MY SHIT

### **VERSE 2:**

Atlantic Records and Koch - get you fucking hot- dropping suckers on the spot - what the fuck you got- still's in the pill- climbing up hill's- justified you- you sucking dick still - the rotation like cd 's and turn tables in disasters - now my fashion you can't make me do shit- making this shit to be something that it - isn't or could- find your ass up under the hood like A engine - bitch get to rev'ing- - I'm gone get my debit- six shots in you after eleven -- fuck a got damn time- I'm swinging threw the air like a vine - if you dare to be on time- with the problem - bitch we can solve me-

### **VERSE 3:**

Dex on flex - causing the chex - corrupting on the next -  
fucking with your self- unloading habit's - truce to the  
game slick - open up the grudg'es- tip in the game -  
colder the pain - coming down like rain- the store where  
we crept and we came - logics getting threw up - game  
on the next one- solid to the break done- game on lost  
pages - gave into the shit â€œ know you getting no  
paper - slick to the fade- that made â€œ the came â€œ  
the shade - get paid- get laid â€œ insane to lock - on a  
block of niggas that flock - mock your ass with stash  
â€œ overrated and blast- rob these niggas take they  
cash.

#### VERSE 4;

Penalty for the simply things - that get textured â€œ  
corrective len's not protected - your indexed- while  
lâ€™m reflecting - how many things that lâ€™ve been  
threw then - the only way for the sand paper - is the lie -  
that blind- they can try to tie a knot â€œ get a flower to  
gain a pot - but when you run into that problem what  
you got- the deadliest grave - get the grammar out of  
being stuck â€œ long rang'es â€œ on my ages- steady in  
sages â€œ blasting, ducking, tucking, amazing - hell'a  
no grazing - heaven no hell then - stripped getting  
bailed in - ding from the bail - as your ass hit the  
pavement- no - the defacement- they getting erased-  
now misplaced â€œ bitch you gone faced(IT) - or lâ€™m  
gone face it - title on bow out- holding the tracers-  
eating the take out- you crazy's get out - duck out- tuck  
out- thatâ€™s out- lâ€™m out.
