Verse 1:

Passing Attractive Fucking Up Matches- See As I Hit The
Fist I Get Dat Shit - I'm Crawling Out Of That Shit -
You's A Bad Bitch - I'm Moving Close To Whatever I
Want - Beat You Are An Imposter - Sheets Want Me To
Follow- She Takes The Whole Dick In The Mouth - Like
She Was A Teen Role Model - She'll Show The Other
Girls - How To Follow- Soon As The Wic Left - Fuck A
Bottle- I Wanna See If We Can Get To The Top Though -
For What Was Throttle- Casing Done Though - Dropping
Bottles- Left Me Hollow- Switching Gotta Go - Got A Girl
- And I Also Got A Hoe- What Do You Show For- Open Up
The Case Loads- Fuck Simon Bitch - I Said If I Say So -
So Much High - I Cant Take This Shit Though -

Watching In The Dresser- She Was The Invisible
Caresser- The Tester- The Professor- She Litt'ed Up Her
Dress - Looks What's Under Her Dresser- The Filter-
And The Committed- Shit She Is Witted- This Some
Different Shit - Design For Od'in - Now She Seeping -
Into My Closet - Hiding - She Sneaking - Me Looking And
Checking - Yes I'm Peeping - Threw The Day Week -
Threw The Week End

Left Me Open So Close To Eloping But Hell No's In -
They Tried To Make Believe That I Was Going - But I
Wasn't - And I Think She Knows- And I Can Tell -
That She Wants Some More Of That Smell - Some More
Of That Mail - Who Secrete Is Who's - Who Gone
Tell - Not Me - I Knew As Well - As The Yells Moving
Closely - Why Do You Keep Acting Like You Don't
Know Me- And That's Just It - The Lap Dance Bitch

The Over Easy Ready Steady - Moving Threw- The
Embezzle - The Window- Like It's Fiction - The Depiction
- Draining My Insides- Like 18 Flood Lights - I'm
Trying To Escape - But I Think She's Not Mad And
Want Another Date - Got Damn - I Had Enough - Which
Is Next For Us To Touch - The Next Track - Or The
Before Track - You Seaming Way More Wack - And The
Stack - I Don't Want It Back - So Quit Acting And Let

The Moments Pass By - Why When You Look At Me - You
Confused If You Should Look In My Eyes Or Not -
That's Hot On Your Body - The Intricate Plot
