Chorus:

How - I need you - How I want you - Not always on the
block - you - on my cock
and me and you together - and us - and togetherness -
fuck the rest of the bull shit - we role gangsta

Verse 1:

For the rest in the pitiful - we never bit music - we to
original - and the body get you physical - but we know
how to drank and kick it with out fucking - you just
gonna get your ass wetted - for the next as the matter
get you wet - niggas up in this muthafucka - playing
games and smoking cigarettes- If you think ever nigga
you kick with aint gangsta and hard - then you must be
also pussy bitch - now that the pitch - get your
muthafucking ass missed - now this new diss

Verse 2:

Now that the new permit - and the conglomerate - in the
massage -in the oven - in the woods - for the goods - in
the water - in the woods - in the negative - give plaintiff
kiss - rolling dice - and playing dominos - we get you
out of the nonsense - turn this shit - up to one hundred -
and now the promise - go get that shit - in the mirror -
of the level - in the plastic - when the niggas - getting
drastic - having fun - now that you can see - what 's with
the house files-

Verse 3:

Now in the wedding - but they gone brake up - salty at
the next one - in the frequent - they getting fire - now
the desire - in the cool and come on - and hang on - in
the mood - where you can play with your self -
regardless - the best - now in your memoir's - in the out
fit - In the overload - for the pest - in the rest - of the
nigga - is on fire- on the used - to - and then you just
confused - and thatâ€™s not Devon - thinking - bitch
you just thinking by your self â€œ
